65-5/8" x 9"	674065B
73-5/8" x 9"	674073B

- Each kit includes one keystone.
- Use of keystone is optional.
- Easily custom sized using optional keystone to accommodate windows up to 140" wide with no face nailing or caulking necessary.
- Available in two standard heights: 6" and 9"

Door Surrounds

- Surface Mount installs in minutes on any surface including brick or siding. No face nailing or caulking necessary.
- Decorative keystones add even more style. Can be used to combine headers by concealing cuts and joining points.

Individual Components

- Great for creating a custom sized door surround to fit any door size. Especially helpful in creating a surround for wide doorways.
- Each header includes one keystone. (Use is optional)
- Headers available in Window Mantel section above.
